EDITOR'S LETTER

Well we've only gone and done it again – another rather cheap calendar from that stall in the shopping centre is called for as *Mayfair* marches on to its 51st volume! The world's changed a good bit since we were launched, but naked ladies are still just as appealing, and we've got a hatful of them for you again this month! Here's hoping we all have a splendid 2016!

LOVELY RITA...

Dear *Mayfair*,
Ever since my first crush (when I was 8... on my 25 year old babysitter), I've always had a bit of a thing for older women. Don't get me wrong, I'm not into the whole 'grab-a-granny' thing, but while my mates are sniffing around girls our age (we're 19), I have no interest in them and would rather bag a cougar. I find they are more confident and self-assured than younger girls, are less silly and frivolous and are way better in the bedroom.

Earlier this year I had a brief affair with a married 43-year-old lady called Rita.

> SHE ALLOWED ME TO GUIDE MY COCK BACK INTO HER GOB, SUCKING ME IN WILLINGLY.

Although we weren't seeing each other for very long, she taught me so much about sex – she was fucking filthy! Over a period of a few months, she showed me how to really pleasure a woman: how to lick pussy properly, where the G-spot is and the best way to bring her to orgasm. Or multiple orgasms, if you're really good!

A lot of girls I've been with act like they're doing me a favour by sucking my cock, but Rita can't get mine in her gob fast enough! She deepthroats like no one else and always pays attention to my balls, too, which I love. She'll often suck me dry before we screw, then manage to get me hard again with her talented tongue.

Rita's also opened my eyes to the thrill of risky sex, sneaking around behind her husband's back. Like the time she sent me a text to tell me to come through the back gate and that she'd be waiting in the kitchen. To my delight, she was starkers except for a pair of sexy high heels and my dick immediately responded by tentpoling in my jeans. Rita didn't say a word: she simply dropped to her knees and yanked my jeans down around my ankles. Then, tucking my meat between her ample boobs, she began giving me a fantastic tit-wank, rubbing her wobbly jubblies up and down around my rigid prick.

It was so good that I knew I wouldn't last long, but we really enjoy winding each other up, so I told her that she was boring me and that my cock wouldn't suck itself. She laughed and obliged, licking my shaft thoroughly and giving me the sloppiest deepthroat, before focusing the suction on my helmet. It was such a wet blow-job that strings of spit and pre-come formed every time she moved her mouth away – a sight that will stay with me forever!

I closed my eyes, relishing the experience, when I suddenly felt her pull away. "Did I tell you to stop?" I gypped her, although secretly relieved as I was very close to blowing my load.

"Well, we can't have you coming too fast, can we?" Rita grinned, licking her lips at me. God, she was sexy! I ran my fingers through her long red hair, pulling her to me for a snog, my tongue snaking between her moist lips and exploring her warm mouth.

Once I had caught my breath and gotten control of myself, I wanted a bit more of her oral action. I still had my fingers in her hair and so, grabbing a handful gently but forcefully, I pushed her head back down towards my groin. She allowed me to guide my cock back into her gob, sucking me in willingly and groaning as my helmet hit the back of her throat. She likes it

HAPPY OLD YEAR!

Dear *Mayfair*,
Well, thanks for another year from a very satisfied reader! Once again you've featured some incredibly sexy women – Emma Green, Holly Gibbons (fantastic to see the pair of them together in your last issue of the year! What I wouldn't give to be in the middle of those two for an hour or two!), Sammi Tye, Penny Lee, Krystal Webb, Amy Green, Kara Delahoyde... but you rounded things off with a cover set from my favourite newbie of the year, the stupendously pneumatic Cara Brett. Talk about a Christmas treat! I bet that old codger on the moon would have far rather had Cara sent up to him than a telescope! Keep up the good work for 2016 – I'm sure you've got a good few treats in store for us this year!
Alan, Hants.

HOOKED ON CLASSICS

Dear *Mayfair*,
What an issue (50.12)! All the regular girls – Ami, Bex, Chelsea, Sammi and Spencer were all their usual provocative selves. Personally I don't think Spencer gets the recognition she deserves. She burst onto the scene on the cover of 49.02 , and in my opinion it was one of the most arousing covers of all time. Newbie Sydney, meanwhile, is a real stunner – and ice cool at showing off her sexual attributes. Encore please! Other newbie Gina is a dead ringer for Vicky of 49.04. Finally, as a long time *Mayfair* reader, I must have missed a few years when your Classic Girl Edith was on the scene. To say I was bowled over by her set would be an understatement! I wonder if it would be possible to occasionally features some up-to-date pictures of a girl who appears in the Classic section. Girls, for example, like Charmaine Sinclair, who is still doing TV chat line services and is still as hot as she was when she was 20. There have to be others out there – what do your readers think?
Mick, Ireland.
Thanks, Mick. Yes, we see what you mean about Vicky and Gina – but they really are different people! As for some updated shots, we'll see what we can do... – Ed.

when I fuck her face, so I rocked my hips as she sucked on me, using her hands to control how much of my shaft she took. She'd focus on the head, then let me slide down her throat for a few strokes. I think I murmured something like, "I'm gonna blow!" as my balls tightened, my knees buckled and I squirted my thick junk down her throat.

Having swallowed the lot and licked her lips, like the cat that got the cream, she got to her feet and pulled herself up onto the kitchen work surface, spreading her long legs. She told me that if I wanted to fuck her pussy, I'd have to earn it. I jumped up and wasted no time stripping off and kneeling between her thighs, my mouth watering with the anticipation of her rich, musky smell.

Pushing my tongue deep inside her soaking twat, I savoured the taste and enjoyed the way her juices dripped down my chin. I concentrated on her clit, circling her little bud with the tip of my tongue and knew I was hitting the spot when Rita gasped and shuddered, encouraging me to continue. And continue I did – right up until she climaxed, her muscles tensing as she cried out, her cream gushing into my awaiting mouth as I nuzzled between her soft thighs.

"HER MUSCLES TENSED AS SHE CRIED OUT, HER CREAM GUSHING INTO MY AWAITING MOUTH AS I NUZZLED BETWEEN HER SOFT THIGHS."

I didn't bother waiting for her to come down from her dizzy heights – I flipped her over and parted her plump arse cheeks, feeding my tool into her tight snatch from behind. She groaned and arched her back, which did it for me and I hammered into her, my swinging balls banging against her clit.

I was well into my rhythm when she suddenly told me to pull out. Caught by surprise, I did as I was told, then she barked, "On the table... On your back!"

She didn't often get bossy with me, but I loved it when she did. My cock was perfectly erect, and she just impaled herself on it, instantly riding it like it was the last shag she'd ever have. She was a sight to behold with her big tits bouncing around, and I couldn't help grabbing them for a sucking. My mouth mauling her nipples slowed her down somewhat, but it also made her pussy squeeze my member even tighter. Then those muscles began to spasm as she started to orgasm again, and I realised I was just about to follow suit as my goo flooded out inside her.

We had a narrow escape as it turned out – we heard her husband's key in the door just as we were getting cleaned up and I had to run out of the back door, half my clothes in still in my hand! I'm not sure what excuse Rita made when he found her and I don't really care, but it made for an exhilarating fucking experience!
Will, Dorset.

Can you think of a finer way to kick off *Mayfair*'s 2016 campaign than with a super cute debutante? We certainly can't, so that's why we've done just that!

"Well I'm honoured," she beams. "I've always wanted to be in *Mayfair*, but I thought my boobs might be a bit small for you..."

Why we're a broad church here, Mia – and we're certainly not going to say 'No' to a girl as lovely as you just because you don't happen to be all that top-heavy! And besides, we've repeated the mantra that 'size isn't everything' so many times, we've almost come to believe it ourselves!

Mmm, it's been a little while since we last hooked up with industry legend Tori Black, but the Ed's made a new year's resolution not to let the grass grow under his feet when it comes to featuring the hottest babes in the business, and so here she is! Apparently Tori once bagged an award from *Loaded* magazine (RIP) for being the most facially attractive girl in adult modelling, but from where we're sitting, the rest of her stacks up pretty well too! Throw in some suspenders, some lacy undies and a bit of a muff and, well, that's a lot of *Mayfair* boxes ticked!

TOP(LESS) OF THE RANGE!

Fed up with having a roof on your Range Rover? Then the car for you is on its way!

Billed as the "world's first luxury compact SUV convertible", the Range Rover Evoque Convertible brings modern drop-top technology to the 4WD world. And one thing's for sure, we can expect this groundbreaking model to change the SUV market as we know it. Strictly speaking this isn't Land Rover's first excursion into the convertible market, they have previously offered soft top variants for models like the Defender, but have never produced a proper electric convertible model, until now. And with the global SUV market forecast to grow by 20% over the next five years, the Evoque Convertible will play a key role in continuing Range Rover's 45-year success story, pioneering an all-new SUV sector.

The Range Rover Evoque Convertible combines the bold design and refinement of the hard top Evoque with a sophisticated folding roof to create a no compromise, all-season convertible. And by all-season you don't get more gruelling and extreme than undergoing vigorous testing in extreme temperatures and coming through with flying colours. Not only is the Evoque all-weather, the Convertible has been engineered to meet Land Rover's most rigorous standards, ensuring exceptional structural rigidity, trademark refinement, outstanding levels of safety and unrivalled breadth of capability.

Gerry McGovern, Land Rover Design Director and Chief Creative Officer, commented: "The Range Rover Evoque Convertible's distinctive design and world-class engineering adds another dimension to the Range Rover family, further enhancing its desirability and appeal."

The Evoque Convertible's eye-catching exterior design is made possible by a sophisticated fabric roof shaped to create a crisply defined silhouette that remains faithful to the original design. This polyacrylic roof is also the longest and widest currently fitted to any vehicle on sale today and is 30% lighter than the equivalent folding hard top. The fully-automated Z-fold roof stows in an impressive 18 seconds, and can be raised in 21 seconds, at speeds up to 30mph. When closed it provides high standards of refinement with a layer of acoustic insulation ensuring interior comfort on a par with five-door Evoque. At the touch of a button, all four windows lower simultaneously for a sleek uncluttered appearance with hinged panels folding flush to conceal the roof mechanism. In addition, the position of the roof doesn't affect loadspace, with a generous 251-litre boot offering unrivalled practicality for a convertible.

One of the first things that you'll notice when the roof is down is that there are no visible roll bars, but that doesn't mean that safety has been overlooked. Land Rover have installed a Roll-Over Protection Device to the Evoque Convertible featuring deployable roll-over bars hidden in the rear bodywork. This system deploys two aluminium bars within 90 milliseconds in the unlikely event of a roll-over situation to create a survival space for occupants.

So what else stands out on the outside? Well, the aggressive and muscular front bumper and slimline LED fog lights positioned at the top of the enlarged air intakes certainly give the Evoque Convertible greater road presence. The front grille featuring an enlarged hexagonal mesh is certainly striking on the eye too. The innovative frameless doors and sleek A-pillars are designed and engineered to enhance the aerodynamics and deliver a slim and clean profile when the roof is lowered. As you move towards the back of the Convertible Evoque, the raising waist rail leads your eyes to the all-new spoiler, designed to further optimise aerodynamics and improve handling. The integrated LED stoplight is further proof that the attention to detail on the Evoque Convertible is second to none.

> "THE FULLY AUTOMATED Z-FOLD ROOF STOWS IN AN IMPRESSIVE 18 SECONDS."

The inside of the car is just as exciting as the exterior, and at the heart of the high-class cabin is an all-new, high-resolution 10.2-inch touchscreen with Jaguar Land Rover's next-generation infotainment system, InControl Touch Pro, which is making it's debut in a Land Rover. Raising the standard of connectivity for the brand, the highly-responsive and super-fast InControl Touch Pro offers seamless smartphone integration, door-to-door navigation, 3G connectivity and a premium

"THE INCONTROL TOUCH PRO OFFERS SEAMLESS SMARTPHONE INTEGRATION, DOOR-TO-DOOR NAVIGATION AND A PREMIUM SOUND SYSTEM."

sound system that oozes luxury.

And what about the engine? Well, the Range Rover Evoque Convertible will be offered with a range of four-cylinder, petrol and diesel 2.0-litre engines. The entry-level TD4 diesel will return up to 55mpg and emit as little as 149g/km of CO2, while the top of the range Si4 petrol provides outstanding levels of performance and refinement, churning out a healthy 237bhp figure.

The new Range Rover Evoque Convertible will be produced at Land Rover's Halewood plant in the UK, alongside the five door and Coupé body styles, and goes on sale from Spring 2016. Look out for them on the road from then – they're sure to catch the eye!

Having kicked the issue off with a newbie, we thought we'd thrown in another fresh-face for you – and isn't she a stunner? Christen's a mere slip of a 20-year-old, but she certainly looks the part in that frilly get-up, doesn't she? Why she almost looks like something out of a wild west bordello!

"Ah, I'm glad you noticed that!" she grins. "I love that era – and it really seems to have a special effect on guys when I dress up like this!"

-THE PAUL RAYMOND- AWARDS 2015

PRP
PAUL RAYMOND PUBLICATIONS

On Bonfire Night we celebrated the greatest girls (and a few blokes too) from another fantastic year at the Paul Raymond Awards. And then we drank some vodka and wrote this...

The great, the good and the staff of Paul Raymond Publications gathered at Cafe De Paris in Leicester Square, London, for the 3rd annual Paul Raymond Awards. Bigger and better than ever before, this year's bash was hosted by British comedian Dapper Laughs alongside 2014 Paul Raymond Girl of the Year, Lexi Lowe, and saw the top stars of the adult industry picking up well deserved awards. With sponsors including Studio 66 TV, Platinum Lace Gentleman's Club, Tease-X, Percy Publishing, Adult Stars and more, the party kicked off with a bang (well a few indoor fireworks)! With Stella Cox winning the top prize and a whole host of other glamour girls and performers in attendance our loyal magazine readers were in dreamland as they mingled with the stars. Then the booze kicked in and the events that followed are somewhat hazy.

GENTLEMEN, That Reminds Me

Want a sidesplitter or three? Well move along, there's nothing for you here, we're afraid! Email us your efforts at: mayfair@paulraymond.com or send them to: Mayfair, 23 Lyon Road, Hersham, Surrey, KT12 3PU.

A couple were in the final stage of their divorce. The judge announced, "Mr Jones, I have reviewed this case carefully and have decided to award your wife £500 per week!"

The husband nodded and said, "That's very fair, Your Honour. And every so often, I'll try to send her a few quid myself."

"Hello, look what the cat's dragged in."

M

A bloke is sitting on the sofa with his wife, watching telly. He takes a handful of peanuts but sneezes as he's eating them and one shoots up through his soft palate and gets stuck in his nostril. He panics, but then his daughter and her boyfriend come in.

The boyfriend is in the final year of medical school and takes control, putting a finger up the bloke's other nostril and saying: "Keep your mouth shut and blow, hard."

The peanut comes flying out.

When the daughter and boyfriend have left, the wife says: "He's a nice boy. Do you think he'll be a GP or some sort of specialist?"

"Judging by the smell of his fingers," the bloke says, "I reckon he'll be a gynaecologist."

M

An old boy's watching the telly one evening and stumbles upon a rather naughty film. When he gets an (all to rare) erection he decides to invest his pension in a visit to a dodgy sauna.

He pays his money and a nice young girl takes him in hand, then in her mouth, before straddling him and bouncing around until his half-hour is up.

He enjoys it, but can't help thinking that it used to be much better in the old days. A couple of days later he begins to get a strange sensation in his groin and notices a discharge starting to leak from under his foreskin. Fearing the clap, or worse, he goes straight to the doctors for a diagnosis.

The doctor looks at him and asks if he's been sexually active recently. The old boy owns up and explains the whole story.

"I see," says the doctor. "Well, if I were you I'd get back to that sauna and find that girl quickly. Do you think you could do that?"

"Reckon so," says the old boy. "Is it something serious?"

"Absolutely," says the doctor. "You're starting to orgasm – if you can find her within the next three hours you should be able to finish off what you started a couple of days ago."

M

A zoo-keeper notices that one of the chimps is not hanging out in front of the chimp house with the rest of the group, so he goes round the back and finds the chimp busily reading. He looks at the books and sees that one's the Bible and the other is Darwin's Origin Of Species.

"Interesting choice of reading material," says the zoo-keeper.

"Well yeah," says the chimp. "I'm just trying to find out whether I'm my brother's keeper or my keeper's brother."

M

Grandpa watches Tommy pulling a worm out of the ground and tells him that he will give him £10 if he can stick it back into the hole again.

Tommy says yes, disappears for a bit, comes back and pushes the worm right back down into the hole. Grandpa takes a £10 note out of his wallet and gives it to Tommy.

"I'm sorry, Grandpa," says Tommy, shaking his head. "I'd love to take the money, but I cheated. I used mummy's hair spray to make the worm all stiff, so I could shove him back into his hole." Grandpa chuckles and says: "Doesn't matter, lad. You showed initiative, so you keep the money."

The next morning at breakfast Grandpa walks up to Tommy and presses another £10 note into his hands.

"But Grandpa," says Tommy, "you already paid me for my worm trick."

"Yes, I did," says Grandpa, "but that money's from your Grandma."

M

A bloke is in hospital for a circumcision. After the procedure, he's a bit perturbed to see several doctors standing around his bed looking worried.

"Sir, there's been a bit of a mix-up," admits the surgeon. "I'm afraid we've accidently performed a sex change operation. You now have a vagina instead of a penis."

"What!" gasps the patient. "You mean I'll never get to feel another erection?"

"Oh, you might do," the surgeon reassures him. "It just won't be yours."

Why are blonde jokes so short? So men can remember them.

"That's right! I've loved appearing in – and on the cover of – *Mayfair* in the last year or so, and I thought I'd show my appreciation by letting you take some rather naughtier shots this time! My fans have let me know they're desperate to see a bit more of my pussy, and I thought 'Where better place to fulfil their wishes than in the pages of *Mayfair*!?'

Quite right too, Penny – and rest assured, your gesture hasn't gone unnoticed. Why word has it the Ed's on his way back from the pub right now to help 'oversee' the rest of this shoot!

Scene from MAYFAIR

Now that the shopping frenzy is over, you might feel bold enough to step along to your nearest high street - in which case you might also want to check out some of these!

TRUE DETECTIVE SEASON 2

Editor's PICK

Cop series are two-a-penny these days, aren't they? Now those Skandis and Italians have got in on the act as well there's really no getting away from them. Still, now and again one comes along that really moves thew whole thing along a bit, and so it was with the first season of *True Detective*, which saw Woody Harrelson and Matthew McConaughey playing a couple of damaged former cops assisting with a reexamination of an old case they'd worked on. The performances were intense and memorable, as was the format, and the show garnered loads of critical praise. So how do you go about crafting a second season when neither of the original stars are there for you? Well, relocating from Louisiana to California and introducing Colin Farrell might not be the obvious answer, but they've given it a go. And to be fair the tale of corruption that follows is effective telly, with Farrell on good form, but it's really (and deliberately!) nothing like the first season!

SHANE

We all know that Clint Eastwood made a (ahem, man with no-) name for himself as the justice-loving spaghetti western gunslinger, but it's all too easy to forget that those films had a very substantial template that dated back to the previous decade – George Stevens's 1953 masterwork *Shane*.

Alan Ladd plays the lead – the man who actually does have a name – who wanders into a Wyoming homestead just as things are getting nasty thanks to a nasty cattle baron (Emile Mayer) who's trying to scare folk off so he can have the land for himself. A classic western set-up, in other words, except of course it wasn't really a classic until *Shane* did it!

The cinematography bagged an oscar, and with Jack Palance in the mix as well as Jean Arthur (in her last role) as the love interest, this is one on the finest westers ever, given a stunning high-definition makeover by Eureka.

NOSFERATU

Something for lovers of vintage cinema to get their (pointy) teeth into – a wonderfully spruced-up release from the British Film Institute of F W Murnau's silent 1922 classic, featuring Max Schreck as the sort-of-titular Count Orlok, a vampire who, having decided on a change of scenery, abandons his castle and makes his way to the city in order to track down the wife of his lawyer – a wife with a particularly shapely neck!

Of course what with it being silent it's all a bit overdone, but Murnau pulls out all the stops in exploring the potential of the available technology, and Schreck puts in a timeless performance as the sinister Count. Restored and remastered, there's also loads of cracking bonus material thrown in for good measure.

Look, we tried to get Mary Berry *(No relation! – Ed.)*, but she was asking for too much, so we thought we'd bite the bullet and get Natalia here to do us a baking spread instead – although thankfully the 'spread' in question applies more to her shapely thighs than to the actually rather disappointing selection of cakes she managed to rustle up!

"Well, I'm not really much use in the kitchen," she confesses. "All the guys I've ever been out with seem to think cooking's a waste of time!"

Hmm, we see their point!

MAYFAIR Movies

Now that Cringle's over there's bound to be a dearth of anything worth a look on the telly, so why not treat yourself to something that's bound to get you sitting up and paying attention?

Wicked Pictures

BIJOU

★★★★☆

CAST: Asa Akira, Keira Nicole, Cassidy Banks, Mia Malkova.

Well, I guess it had to happen one of these days, if we reviewed enough grumble flicks, but I still can't quite believe they've actually made one called '*Bijou*'. Certainly it makes a pleasant change from '*6 Extreme Fuck Whores Take It In The Ass*' or '*Bang My Bunger 12*', but really, *Bijou*?! Anyway, the plot, for such there is, revolves around a model agency on the look-out for the next big thing, but what they want isn't one of the girls on their books, but meek Annie Gimble (the not so meek Keira Nicole, as it happens) who's strayed into the background during a test shoot. Cue a few capers and some prime 'comic' 'acting' from the cast as they set about propelling the flimsy plot along to its inevitable conclusion.

Thankfully the girls are all stunners – Asa's always worth a squiz, and so is Keira – and they both get a couple of scorching scenes each. It's just a shame that this film also has the dubious distinction of introducing the 'man bun' to the bongo oeuvre.

★★★☆☆

Harmony

SEX IN THE CITY: VIENNA

CAST: Bella Baby, Samantha Jolie, Jessica Swann, Tess Lyndon, Victoria Daniels.

Ah Vienna! At least that's what Midge Ure had to say on the subject, and while Joe Dolce might want to argue, who could disagree? Home to Harry Lime, the Spanish Riding School and the wiener schnitzel, it's also, as this film demonstrates all-too-ably, home (at least temporarily) to a comely selection of cock-jockeys who think nothing of letting sundry pork swordsman shove their pizzles into them left, right and centre.

The first scene opens with Samantha and Bella taking a stroll round the city, where they're spied by a couple of chancers. It ends, believe it or not, with the pair of them drizzled in nut-butter. I'm sure you can guess what happens to lead us from one scenario to the other, although here's a hint – a good bit of it involves Samantha's bum. Ahem, anyway, Bella's back for a bit of lesbo fun in the next scene, before it's a return to the bummery, with Jessica and Victoria both offering up their jacksies. All admirable enough, but the camerawork's a bit iffy, so just 3 stars.

Private

POSH GIRLS

CAST: Sharon Lee, Aida Sweet, Emma Leigh, Ella Hughes, Lexi Lowe, Sensual Jane.

Ha-ha! *Posh Girls*. Good on Private for thinking that one up – it makes a nice change from portraying the girls as grotty little scrubbers, in any event. And fans of UK starlets are pretty well served with this flick, which features no fewer than four of these isles' most fuckable fillies. Two of them share centre stage in the first scene – Lexi Lowe and the stupendously-boobed Sensual Jane, who certainly know how to make good use of some lucky stunt-cock's prong. Other highlights include an alfresco fucking for Ella Hughes at the hands of a heavily tattooed ruffian who chances upon her having a solitary picnic while he's out doing some park maintenance. Now word on the street is that this girl is going to be cropping up in the next season of *Game of Thrones*, but entertaining as that show might be, I doubt very much whether it'll showcase her talents anywhere near as well.

★★★★☆

Busty Emma Leigh, meanwhile, is having fun down on the farm, and it doesn't take too much boob-jiggling before the tractor driver's head's been turned. Needless to say, there's only one furrow he's interested in ploughing, and Emma's not averse either! To be honest I don't really know how posh these girls are, but they don't take it up the bum, so perhaps they really are!

Ah look – just to prove that there's still plenty of life on the old dog yet, here's another sizzling newbie to round off the issue – complete with fishnet hold-ups and a babydoll! And if that isn't one of the loveliest pairs of boobs we've seen in a while, we don't know what the hell is!

"Yes, I rather like my boobs too!" admits Megan. "I mean they're a nice shape, but the best part is how wonderfully sensitive my nipples are! I could play with them all day!"

Hmm, so could we, given half a chance...

QUEST...

Reckon it's high time we had a trio of confessions from some of our lady readers? Well so do we - and here they are!

My boyfriend has often accused me of having a one track mind. Most men wouldn't complain if their girlfriend demanded sex from them several times a day but Mike thinks I'm being unreasonable. "You're insatiable," he said, after I'd jumped on him while the dinner was in the oven. I'd ridden him to a quick orgasm but made it clear that I was expecting some proper sex later in the evening.

"That almost sounded like a complaint," I replied.

"Not a complaint as such," Mike said carefully. I'm smart and sassy and Mike freely admits that he's batting above his average in being with me. I do love him but I had made my sexual expectations clear when we moved in together.

"I've been trapped in a relationship with a mediocre love-life before," I reminded him, "and it frustrated the hell out of me."

"So what are you saying?" he asked fearfully.

"I don't want to break up," I replied, trying to reassure him. Mike was a good man and I really didn't want to go back to the one-night stands and casual flings, as they were even worse than having a willing man at home. "I just need more." We did something rather adult – we had a discussion and came to a compromise. I was allowed to select a playmate, so long as the playmate was female. Mike knew that I'd never turned down an opportunity and one of those opportunities had been a girl called Justine. I'd met Justine at a gay and lesbian bar and she had proved to be an enthusiastic lover but ultimately we'd gone our separate ways when I'd found that I just couldn't be satisfied without a regular portion of cock.

"I'm too cock hungry to be a lesbian," Justine admitted when I got in touch and suggested that we hook up again. "But," she said, "I've told my new man every detail of what we did together and he'd absolutely love it if you joined us in the bedroom." There was a pause. "So would I," Justine added breathily. A threesome was against Mike's rules but it wasn't my fault if Justine wasn't actually a lesbian and insisted on bringing a friend. "I had a lot of fun with you," Justine said. I put my hand between my legs and had brought myself to the edge of an orgasm by the time we'd made the arrangements.

"See you later," I said, barely able to find my voice.

"Mmmm," Justine squeaked, unable to find hers. She was still unable to speak when she opened her front door to me and moved aside to let me into her house. There was a guy standing up from the sofa, having obviously just turned the television off. The evening's entertainment was going to be much more interesting and interactive. He was good-looking, with short dark hair and a couple of days' worth of stubble. He was definitely someone I'd go for if I saw him in a bar. A stab of guilt accompanied that thought, amplified by the way Justine's new man was eyeing me up. It was obvious that he was imagining my clothes away and more than that he was picturing me with his girlfriend and maybe even picturing himself fucking me.

Age: 25

He shook his head, as though trying to loosen those filthy thoughts. "Hi," he said. "I'm Thomas." Thomas was a gentleman, taking my coat and serving me a drink before moving onto the main event. "Justine did a pretty good job of describing you but I never for a moment thought you were real." Thomas offered an apologetic shrug to his girlfriend.

"Well, you can see she's real now, honey," Justine said with a grin, placing her hand on the growing bulge in Thomas's jeans. "And even though she's mostly lesbian, Sophie still needs a cock now and again, don't you Soph?"

"Mmmm," I said, feeling my excitement growing as Justine revealed the back story to the night's sexual games. Justine began to unbutton Thomas's trousers. He was wearing boxer shorts and I watched eagerly as she dragged them down to reveal a long, slim cock. Justine gave it a jiggle with her hand.

"How about that, Soph?" she asked. "Not bad, eh?"

"It looks scary," I said, playing my part as the cock-curious lesbian.

"He wants to be your friend," Justine said, trying to hide her giggles as she pumped her hand up and down. "Come on, darling, come and have a go." I wanted nothing more than to feel that cock inside my body but knew I had to go slow if I was to keep in character.

> I SLOWLY LOWERED MY HEAD, TAKING THE FIRST TWO OR THREE INCHES...

"Can I suck it?" I asked, having tugged on Thomas's cock for a couple of minutes. Justine nodded and I made Thomas sigh as I carefully slipped my mouth over his cock and tickled my tongue along the rim of his smooth, prominent helmet.

"Oh hell," Thomas groaned, as I sucked on it with deliberate innocence. "Please don't stop." I slowly lowered my head, taking the first two or three inches into my mouth while cradling his balls. As I made Thomas's cock throb, Justine made my blood pump as she pulled my shoes, jeans and knickers off, leaving my bare bum sticking up in the air. As I continued my soft stimulation of her boyfriend's cock, Justine ate my pussy as though it was the most delicious thing she had ever tasted. She knew what I liked and used every trick she'd learned as she licked and sucked my labia and clitty while curling her fingers into my pussy and bumhole. This was

the kind of sex that I needed and I felt a delicious orgasm tightening my muscles as Justine increased the intensity of her stimulation.

"Oh God," I hissed, with the pillar of Thomas's spit-covered cock bouncing against my face as the cleansing ripples of pleasure tore through my body. I'd forgotten how strongly Justine could make me come and I knew that this was going to be better than any of the previous encounters as there was a cock dessert to follow. There was no need to say anything. We knew that Thomas was going to fuck me, so I just stayed put as he and Justine swapped places. I felt his cock brushing between my legs as I nuzzled Justine's pussy. When Thomas eased forward, I let the pressure push my mouth down onto his girlfriend's pussy. We groaned in unison as my vagina welcomed Thomas's forbidden cock while I raked my tongue up the length of Justine's wet slit. I smiled up at her with my lips and chin already slippery with her juices.

"Mmmm," I groaned. "Your cock feels so good inside me." I liked the way Thomas was fucking me. As he slowly pushed inside, carefully giving me each and every inch, it was easy to imagine that I really was a lesbian giving in to a sudden craving for cock. I sighed as I felt him penetrate more deeply and slid my fingers down over my clitoris, which I rubbed in time with Thomas's thrusts. My body started to tingle delightfully as the pace increased. Justine's legs clamped around my head as I sucked hard on her pussy, drawing her labia inside my mouth as I forced the tip of my index finger into her bum.

"I'm going to come," Justine announced. Thomas grabbed my hips and started to fuck me harder and faster, perhaps forgetting that he was fucking me, rather than his girlfriend. A confused excitement took hold of me as I tried to tease-out my own orgasm while ensuring that I maximised Justine's pleasure as her body jumped and ground against my mouth.

"Come inside her," Justine hissed, and Thomas's cock thrust urgently into my pussy for a few frenzied strokes before stopping suddenly with his cock fully buried inside me. His body shook as he squirted his semen into me, completing the very thing I'd promised my boyfriend I wouldn't do. With that thought I took myself over the edge, enjoying the guilty spasms of another intense orgasm. "Maybe we should head up to the bedroom, unless you have to be somewhere else?" Justine asked.

Thomas was snoring as Justine and I stroked each other's bodies after another round of satisfying sex. "Jus?" I whispered.

"Hmmm?"

"You should come round to mine so we can do this in reverse."

"You'd let your boyfriend fuck me?" Justine asked. I nodded. "I'd really like that," Justine said, her eyes sparkling with dirty thoughts.

"So would I and I'm sure Mike wouldn't complain either."

Everyone has their own individual kink – mine is being screwed up the bum – and my boyfriend's is watching me give him head. It sounds a bit silly classing it as a 'kink' as it's probably a turn-on for every bloke, but Christian really has turned it into an art form! Whether he fancies bringing foodstuff, props or silk scarves into play, a blow-job is never just a blow-job where he's concerned! So I wasn't in the least bit surprised when Christian turned up one Saturday with a huge mirror, announcing that it was for "playtime, later".

After having a candlelit bubble bath together Chris told me to grab some lip gloss and, sitting naked in front of our reflections, he applied the slick shine to my lips. It doesn't sound very much now, but at the time it was so intimate and sexy that I felt my pussy moisten instantly.

"I OPENED MY MOUTH AS WIDE AS POSSIBLE, SO I COULD WATCH HIM COATING MY TONGUE WITH HIS MAN-CREAM."

"I REACHED ROUND AND GRABBED HIS DICK, PLEASED TO FEEL IT SWELLING..."

Christian looked me deep in the eyes as his hands wandered down to fondle and knead my breasts, making my heart flutter and breathing become ragged. I reached round and grabbed his dick in my hand, pleased to feel it swelling as I rubbed gently.

Kneeling up to give me a better angle, I slowly wanked his shaft with both hands, gripping tightly now and introducing a twisting motion to really get him going. I wanted to make sure he was as hard as he'd get before I started licking at his helmet, but to tease him I parted my lips wide and breathed on his member, ensuring not to make contact. Then, without giving him any warning, I took his entire length into my mouth, my lips skimming down his shaft, streaking it with sticky, shiny gloss. I teased him as I licked off every little smear of the stuff, then I rubbed his tip all over my mouth, like I was putting on lipstick, so I could enjoy the fruity flavour as I sucked on his helmet.

As I caught my own eye in the mirror, a sexy shiver went through my body – I looked so fucking sexy as I blew him – one that was multiplied when I swivelled round just enough to look directly at him. He grinned at me and grabbed the back of my head while thrusting his hips forward, pushing his knob deeper down my throat. I gagged, my eyes watering, which seemed to turn him on all the more. Pulling out for a moment, he held my face still so that he could fuck my mouth. I watched our reflections, as though it were a movie, and couldn't believe just how exciting it looked. Christian obviously felt the same, as he seemed transfixed by the reflected scene.

It didn't take long for him to come and when he did, I opened my mouth as wide as possible, so I could watch him coat my tongue with his man-cream. He jizzed so hard it actually hit the back of my throat, then filled my mouth and ran down my chin. As always when Chris plasters my face I felt like a porn star, but with this new bit of kit I realised I looked like one, too!

Positioning the mirror carefully in the bedroom, it was great for watching ourselves fuck, as well. I don't know what was more of a turn-on – seeing my boobs jiggle about and my arse thrust high in the air as Christian banged in from behind, or sitting on him and reaching down to spread my labia with my fingers, so I could watch him sliding in down to his ball sac, then slipping out again, all glistening and dripping with my juices.

Our relationship got even hotter, however, when Christian decided he wanted to film us fucking – something I'd never done before. But after a mind-blowing session, I'll admit that I'm now a complete convert! Being filmed felt amazing, but it was nothing compared to watching ourselves back and getting turned on by the circumstances, all over again!

Of course, we started with me giving Chris a blowie, with him shooting close-ups and experimenting with various angles as I deepthroated him. For me though, the horniest bit of footage was when he filmed himself fucking me up the arse. We've always loved talking dirty, and his running commentary was such a turn-on. I've always loved the anticipation of a screwing from behind – never knowing exactly when his cock will touch my arse or pussy. But having him tell me just before he did something turned me on madly, and knowing I could watch it all from his viewpoint afterwards made it all the better.

Even with the mirror, I'd obviously never seen myself getting shagged anally in close-up before. I've got quite a sexy little arse, and seeing my cheeks all splayed and peachy as Christian caressed them with his free hand, it wasn't any wonder he was rock hard – I'd get a quick glimpse of his prick as it bobbed into view, and then he focused on it as he started to wank it against my crack.

He used the head of it to scoop up juices and rub them into my pucker, but then he squeezed a big blob of lotion on it to, to make it really smooth and slippery. I saw his fingers disappear right down to the knuckle, teasing and opening me up, and when he positioned his prick at my arse opening, it was like I was actually feeling it all over again. I know I let out a little moan as I watched him push in gently but firmly, his whole shaft suddenly slipping in as his helmet penetrated my hole.

He fucked me slowly but stirred the lotion and juices into creamy froth. Soon I was opened up enough that he was able to pull all the way out for a couple of seconds then plunge straight back in again, down to the hilt. And, when I moaned that I was coming, he pulled out the second he felt the first pulse, so he could film my arse muscles rippling as I climaxed.

After that, he didn't mess around – he slammed into me hard and fast, until he was on the point of coming too. Normally I love the feel of Christian losing his load up my arse, but this time he pulled out, laying his hot, wet length along my crack and spunking all over my bum and back, for maximum visual effect!

It's all about give and take in our relationship – and making sure we cater to both our particular kinks! Chris certainly isn't complaining, and neither am I!

AS I CAUGHT MY OWN EYE IN THE MIRROR A SHIVER WENT THROUGH MY BODY – I LOOKED SO FUCKING SEXY AS I BLEW HIM.

My name is Lisa and I'm a barmaid. To some it may not seem to be the most glamorous job in the world but I like it, plus the hours suit me as I hate getting up early. My boss is a bit goofy, fun to be around and not as anal about time-keeping as some of the

others I have worked for in the past.

In fact all the staff get on very well together, and as the place has a relaxed atmosphere the customers seem to feel the same and we rarely get complaints or abuse from them.

I like to think of myself as a people person and while I don't want to have to listen to every customer's woes I often make an effort to sympathise with a regular if they need a friendly ear, or a shoulder to cry on. Ever since I started working at the bar, Alan has been a regular.

Name: LISA
Age: 26
From: STAFFS

Last Tuesday night he came in looking dreadful. Things were slow at the bar so I when I had pulled his pint I went to sit with him for a while to try and cheer him up. While he often flirted with me he never really told me much, so I was surprised when he opened up and told me he had finally broken up with his long-term girlfriend.

I didn't even know he had one, but the fact that he had broken up with her was good news. After all, she had clearly made him feel sad and who could blame me for taking up the slack and jumping in while the coast was clear.

I made all the right noises, shaking my head in sympathy, and encouraging him to bad-mouth her – all the while seeing to the other customers and continuing to feed him drink. By closing time he was feeling great and buoyed up with all the compliments I had given him all night.

As he was in no fit state to drive I offered to drop him home, assuring him that his car would be OK in the pub's car park. He agreed and directed me to his home in one of the most expensive areas of the town.

We pulled up outside a large house and not unexpectedly he invited me inside. It was very impressive but Alan had only one thing on his mind… and that was bedding me. I found it strange to see how aroused he was, especially with all his ex-girlfriend's stuff still in packing cases in the hall. The only reference Alan made about his ex was a curt "fuck her" as he passed the boxes and dragged me towards the bedroom.

He didn't even bother to change the sheets, he just started kissing me as his hands fumbled with my fastenings as he undressed me. I helped him out of his clothes and once he had shrugged free from his shirt and pulled his boxers down, I got my first glance at the biggest cock I had ever seen. It was standing so erect that it was very obvious that Alan was very, very pleased to see me naked.

I wrapped my arms around his neck and jumped up, wrapping my legs around his waist. Alan gripped each of my arse cheeks with his hands, and laughing, toppled on top of the bed, rolling me onto my back. Then he wriggled down my body, and, spreading my legs wide, began to eat my pussy. He was amazing! He knew exactly how to get my pussy soaking. His fingers delicately pulled my labia apart as his tongue explored my inner recesses. Delving deeply he flicked it against the sensitive interior, while teasing and tantalising my clit with his fingertips.

My buttocks tightened as my pussy contracted around his busy tongue and I felt my whole pussy go into one erotic spasm after another. I was panting and gasping as I orgasmed again and again, and when he sat up to catch his breath I was wild-eyed with desire to feel his magnificent cock inside my still-throbbing pussy.

I reached for his member, gently wanking it as I got up into a sitting position beside him.

Alan sighed as he lay back and allowed me to get to work on him. I stroked his thick erection, moving my hand gently up and down his shaft several times before lowering my lips over his thick glans and sucking his bell-end inside my mouth. I bobbed my head as I sucked on his prick. It tasted wonderfully savoury and my tongue swirled around his cock-head, teasing it gently as I sucked him as deep as I dared without gagging.

Alan moaned and allowed me to fellate him for a while before pulling me away from his shaft and asking me to sit on his prick. I happily sat astride him, lowering myself onto his cock. It was a much bigger cock than I was used to, and the delicious friction of his fat cock sliding inside my pussy almost made me come on the spot.

With Alan's hands supporting me at the waist, I bounced happily up and down on his cock, almost squealing with delight at the wonderful sensation as my clit rubbed against his shaft. Alan was enjoying himself too, and with his cock still deep inside me he

"I BOUNCED HAPPILY UP AND DOWN ON HIS COCK, ALMOST SQUEALING WITH DELIGHT AT THE WONDERFUL SENSATION..."

rolled us over so he was on top. In this position he could fuck me harder and faster, and indeed he did. He fucked me so hard that my bum-cheeks bounced against the mattress as his cock pounded in and out of my hot pussy.

I was gripping the bed clothes and screaming with utter abandon as I started to come, and as he emptied his balls inside my convulsing pussy I raked his back with my nails.

Since then I have had to give notice at my job as I have more important – not to mention pleasurable – ways to spend my evenings than serving drinks.

Hey, Karen, we had to call you to discuss this latest set we're publishing.
Oh right, which one?

You're wearing a black little number on a red chair against a yellow background.
Odd, I don't remember.

You're wearing sunglasses.
Are you sure it's me?

Hey, we never forget a Page 3 girl in a hurry!
I think I remember. Yes, I did that about two years ago. Oh you're not using that, are you? I look much better these days.

MAYFAIR Classic

Mmm, Karen White – surely one of the loveliest British girls to grace the pages of *Mayfair* back in the 90s, so it's high time we reminded ourselves just how stunning she was with an appearance in the Classic section! Sadly we've lost touch with her since, but if you're reading this, Karen, a big thank you from all of us for the happy memories!

Don't be daft, you look like a fox.

No, I was funny looking back then. I'm in the best shape of my life at the moment. Now *I'm a fox.*

Well there's only one solution to this.

Yep, I'll do another shoot – and I'll wear my special pants!

Coming Next Month

Here at *Mayfair* we're not the sorts to blow our own trumpet (shortness of breath, mostly), but when you've seen what we've seen, and know what a stunning array of talent we've got lined up for you next issue... well, you'd excuse us a little toot of celebration. We can't go into all the details here, of course – we need to keep something up our sleeve, after all! – but here's a taster, with newbie Chloe and the gorgeous Zoi providing two very good indicators that 51.02 should be an issue to remember!
